We will also discuss supplies, tips for marking designs, basting, and burying the knots. Please bring a thimble and a pair of small scissors.

The kit will include the sandwiches of the top, the batting, and the backing for each square (about 15”), 2 or 3 needles, quilting thread, and the hoop.

### **KAREN STYLES: Clamshells**

Students in this class will learn the art of making and stitching clamshells, while making a pouch or small project bag. Please bring a needle, thread, a small pair of scissors and a glue stick.

The kit will include a few fabric choices, and everything else you will need to finish the project (perhaps at home).

## TERI TOPE: Ruching

This lively class is packed with fun and creativity—you won't want to miss it! Together, we'll craft a ruched flower and petals to stitch onto a quilt project or onto the lid of a jar, transforming it into a charming pin cushion. Once you start, you won't be able to stop at just one, and you'll have the perfect place to store your sweet treats or sewing notions. Whether for yourself or as a thoughtful gift, this project is sure to delight. Please bring basic sewing supplies

The kit includes all parts, fabric, thread and needle plus step-by-step instructions for creating ruched flowers, folded petals, and finishing the pin cushion.

## TERRY YOUNG/KARA MASON: Embellishment/Embroidery

This hooped project is an elegant first foray into embellishment using silk ribbons and simple embroidery stitches. We will show you some basic embellishment skills that you can then take home to use on other appliqué or embroidery projects. Please bring a small pair of scissors.

The kit will include everything you need to complete your Posey of Pansies—embroidery hoop, background fabric, silk ribbon, embroidery floss, Chenille needle, and beads.
